Page 5, para 4. — The dispensary at Sirikere is located in an old school house which is not well suited for the requirements of a hospital. A new building is necessary for it & should be provided as early as possible. An estimate for Rs 15000/ for the construction of a building was said to be pending. The P.W.D. may be requested to expedite the matter.

Sir,

With reference to item No. 9 of the responsibility sheet issued with your Memo. No. G.553I-80/G.M. 22-19-12 dated 3-9-19 I have the honor to inform you that while the Tarikere Municipal Council is willing to contribute one-third of the cost of constructing the buildings for the dispensary and staff quarters, roughly estimated by me at Rs. 15,500, the District Board is said to be not prepared to pay anything. The Deputy Commissioner has been requested to move the question again at the Board's meeting and obtain their consent to contribute its share in as much as the provision of medical aid is one of the primary duties of a local board.

In this connection, a plan and estimate amounting to Rs. 9069/- for a dispensary with in-patients' ward prepared in the year 1906 had been submitted to Government by this office with letter No. 7251, dated 18th June 1909, with reference to Government Proceedings No. 915-7-Med. 290-06-4, dated 1st August 1907. A return of the papers, if possible, will facilitate the preparation of a fresh estimate.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Sir,

With reference to your letter No. G. 14305 Med. 48-19-34 dated 22nd January 1921 calling for the resolution of the District Board in the matter of paying its share of the cost for the construction of a new Dispensary building at Tarikere I have the honor to state that the subject was placed before the District Board at its meeting convened on the 3rd February 1921. The Board realizes its responsibility as regards providing the necessary funds for the construction of Dispensaries but it is of opinion that there are places other than Tarikere which are badly in need of dispensary buildings and which should first be provided with such buildings and that the construction of the Dispensary building at Tarikere may lie over for the present. Copy of the Boards' resolution is herewith submitted.
